

Bison Transport named Top Canadian Truckload Carrier of the Year by Ryder System Inc.

WINNIPEG, MANITOBA, July 1, 2010 – Bison Transport is recognized by Ryder Transportation Management as a top performing Carrier in the Truckload Category for 2009.

This is the second time Bison has received this award based on excellence in a number of categories, including on-time performance, claims handling, customer service, technology applications, economic value and innovation.

The award was presented at Ryder's annual Carrier Appreciation and Quality Awards event in Novi, Michigan. Accepting the award on behalf of Bison was Brian Kuzdub, Senior Business Development Manager and Norm Sneyd, Vice President of Business Development.

"We are honored to have been chosen for this award and will continue to build on our strong partnership with Ryder, says Brian. "Awards like this are not achieved by the efforts of one individual, it happens because of our dedicated and knowledgeable Customer Service and Operations team and our Professional Drivers" he adds.

About Bison Transport

Bison Transport is one of the largest Truckload Carriers in Canada today, offering award winning transportation solutions to the industry for over 40 years. As North America's Safest Fleet, Bison is a high-service, dependable and value creating supply chain partner. Bison offers full truckload service, full service logistics, intermodal, dedicated fleet operations, yard management and warehousing & distribution. Bison is an active member of Natural Resources Canada's FleetSmart Program as well as a SmartWay Transport Partner, a national and voluntary partnership of the U.S. Environmental Protection Agency.
